

## Information on Safety Days

WCSH4K is the only organization on the Western Slope that provides interactive Safety and Health Education Days at the schools. A Safety and Health Day consists of 10-20 stations. The children are in groups of 15-30 and rotate from one station to the next every 20 minutes. Instruction is from 9:00 AM - 3:00 PM with an hour for lunch.

Safety Days can be presented at any school district in Western Colorado. Interactive education stations can include, but are not limited to:

Alcohol	Nutrition	Bicycle
Chemical	Construction	Electric
Ergonomics	Eye Protection	Fire
Propane	First Aid	Food
Lawnmowers	Seat Belts	ATVs
Sun Safety	Small Animals	Tractors
Power Take Off	Helmet Safety	
Hearing Protection	Large Animal	
Where Your Food Comes From		
You Are What You Eat		

## Mission Statement

*The mission of Western Colorado Safety and Health 4 Kids is dedicated to promoting safety and health education to the children of Western Colorado and empowering people to make a significant difference in the number of accidents which our children potentially face every day.*

HELPING SAVE CHILDREN'S LIVES

Supported by Western Regional EMS Council, Inc.

## Take Action Today

**The next child's life saved might be yours!**
